DESCRIPTION

The Osole Colour shopping bag is a Fairtrade cotton tote designed for everyday and promotional use. Its simple, flat cut (38x42cm) gives generous capacity for documents, leaflets or light shopping. The 140g/m² cotton remains soft to the touch and is easy to care for with gentle washing.

The bag features long handles attached to the body and reinforced stitching along the edges to improve durability. A small side tag indicates the Fairtrade origin. It is available in several colours, for example black, red or white, and the rectangular shape provides a large, clear area for printing.

This personalised shopping bag is available with a minimum order of 100 pieces. We offer screen printing, multicolour transfer, flex and DTF printing to apply your logo or message. Suitable for companies, sports clubs, associations, schools, events and promotional gifts — our design studio can retouch or vectorise your logo for production.
