Acacia wood serving board

Ref. 2099

Reference	2099
Composition	Wood
Material	Wood
Average weight	0.575
Dimensions	39 x 23.5 x 1CM
Country of origin	China
Carton	20 pieces

DESCRIPTION

The Azuur acacia serving board is designed for presenting and serving food. Its rectangular shape with a cut-out handle makes it easy to carry, and epoxy resin inlays add decorative relief while maintaining a smooth working surface. Dimensions: 39 x 23.5 x 1 cm. Wood is a natural material so grain and colour variations occur and give each board its individual character. Care: wash by hand and dry flat.

The board features rounded edges and a consistent thickness that provide a stable feel when serving. The handle includes a hanging hole for convenient storage. The resin inlays are integrated into the board, creating a continuous surface that is practical for everyday use.

Customisation available via laser engraving to add a logo, name or message — ideal for companies, restaurants, clubs, associations, events and gifts. Minimum order: 10 pieces (colours and sizes combined); lower quantities can be produced with additional fees. Free quote within 24 hours on weekdays and a design studio is available to vectorise your logo. Personalised utensils are suited to corporate and promotional use.
