DESCRIPTION

The custom / personalised Americano® 350ml tumbler with logo is a double-walled insulated cup made from PP plastic, designed to keep drinks at the right temperature. It features a screw lid to reduce spills and comes in mix-and-match colours for a bespoke look. Manufactured in the United Kingdom and packed in a recycled PE bag, it is BPA-free and dishwasher-safe for easy care. Lightweight and comfortable to hold, it is suitable for daily use and on-the-go situations.

For customisation we offer screen printing on objects and digital printing to apply a crisp, durable logo. Ideal as a personalised tumbler with logo for companies, sports clubs, associations, schools, events and private customers; our studio can retouch or vectorise your logo and include the marking in the quotation.
