DESCRIPTION

The Brite-Americano® 350ml insulated cup is made from PP plastic with a double-wall construction and holds 350 ml. The outer layer is produced from recycled plastic and the cup features an all-over moulded colour design for enhanced durability. It is BPA-free, complies with EN12875-1, and is both dishwasher and microwave safe. Supplied in a biodegradable, compostable pouch, it’s a practical choice for carrying hot or cold drinks on the move while reducing single-use waste.

This custom / personalised Brite-Americano® 350ml insulated cup with logo can be decorated using digital printing. Ideal for companies, sports clubs, associations, schools, events and private customers seeking personalised promotional items or branded merchandise.
