DESCRIPTION

The Brite-Americano® 350ml travel mug is a double-walled thermal mug made from PP plastic with a screw lid and integrated handle for comfortable use. The outer layer is produced from recycled plastic and features a full-colour moulded design for increased durability. It meets EN12875-1 standards, is BPA-free, and is both dishwasher and microwave safe. With a 350 ml capacity and delivered in a gift box, it's a practical companion for commutes, events and everyday breaks.

This custom / personalised Brite-Americano® 350ml travel mug with logo is suitable for digital printing to reproduce multi-colour logos and artwork. Perfect for companies, clubs, associations, events and private customers looking for a branded or personalised gift. Our studio can rework or vectorise your logo to ensure a crisp professional print.
