DESCRIPTION

Translucent double-wall insulated tumbler with a 350 ml capacity, manufactured in the United Kingdom and compliant with EN12875-1. Lightweight and durable, it is made from PP plastic for the body with a PE straw included. The double-wall construction provides practical insulation for hot or cold drinks, and the tumbler is dishwasher-safe for easy care. Its translucent finish offers a modern look suitable for events, offices and everyday use.

This custom / personalised insulated tumbler with logo is especially suitable for screen printing on objects (sérigraphie), delivering a crisp, long-lasting mark. Ideal for companies, sports clubs, associations, events and private customers — perfect as promotional merchandise, corporate gifts or event souvenirs. Free quotes and a graphic studio are available to refine your logo.
