DESCRIPTION

The H2O Active® Base 650 ml sports bottle features an ergonomic design and is made from PET with a PP flip-top leakproof lid, offering a lightweight, single-wall bottle that is easy to clean. BPA-free and packed in a recycled PE bag, it is a practical reusable choice for sport, school and everyday use. The 650 ml capacity makes it convenient to carry and suitable for both individual and group use, combining functionality with simple, effective design.

Offer a custom personalised sports bottle with logo using digital printing. This technique produces crisp, colourful marks on PET surfaces. Ideal for companies, sports clubs, associations, events and private individuals who want a practical, visible promotional item that carries their branding.
