DESCRIPTION

The H2O Active® Bop 500ml sports bottle is a single-wall bottle made from recyclable PET with PP components, offering a lightweight, BPA-free option for everyday hydration. Its integrated non-slip design improves grip and the leak-proof flip lid allows quick access to the 500 ml capacity. Supplied in a recycled PE bag and manufactured in the UK, the bottle is convenient for sports, commuting and regular use.

We offer object screen printing to create a custom / personalised sports bottle with logo for companies, sports clubs, associations, events and private individuals. Our design studio can prepare your artwork for printing — request a quote and select colours to match your brand identity.
