DESCRIPTION

The Brite-Americano® tyre insulated cup 350ml is a practical double-walled mug that keeps drinks hot or cold. It features a screw lid and an anti-slip silicone tyre-pattern band. The outer layer is made from recycled plastic and the product benefits from a full-colour moulded design for enhanced durability. Compliant with EN12875-1, BPA-free and suitable for dishwasher and microwave use. With a 350 ml capacity it's a convenient everyday size, easy to clean and robust for regular use. Sustainable and user-friendly.

For customisation we offer digital printing, perfectly suited to the cup's full-colour finish. A great option as a custom / personalised gobelet isolant Brite-Americano® pneu 350ml with logo for companies, sports clubs, associations, schools, events or private customers. Print your logo or artwork to create promotional items, event giveaways or branded reusable cups.
