DESCRIPTION

The H2O Active® Eco POP Base 650ml sports bottle is a lightweight, single-wall bottle with an ergonomic shape for everyday use. Made from recycled PET (POP) with 50% recycled PP, it features a spill-resistant flip-top lid available in multiple colours. Capacity 650 ml. Manufactured in the United Kingdom, the recycled material may show small marks on the body, reflecting its sustainable origin. Easy to care for and convenient to carry, it provides a more responsible choice for on-the-go hydration.

This custom / personalised sports bottle with logo is ideal for high-quality digital printing to apply logos, text or full-colour graphics. Suitable for companies, sports clubs, associations, events and private customers who want a practical, eco-friendly promotional item. Contact us for additional colour options.
