DESCRIPTION

This brain-shaped stress reliever is a playful yet practical desk accessory suited to many industries. Made from PU foam, it provides a soft, comfortable grip to help release tension. Its distinctive shape makes it noticeable on desks or at events; it is not suitable for children under three years. Marking areas are available on both sides at the base of the brain, offering a discreet spot for branding.

Order a custom / personalised brain-shaped stress reliever with logo using laser engraving, the recommended technique for precise, long-lasting marks. Suitable for companies, clubs, associations, events and private customers, it works well as a promotional gift, event giveaway or branded keepsake.
