The MIYO Renew 700 ml one-piece lunch box is made for meals on the move: a compact design with an elastic band made from recycled plastic to keep everything together and a 700 ml capacity for single portions. Manufactured from cane-sugar derived PP, it is microwave- and dishwasher-safe for everyday convenience. You can mix colours and add accessories to suit your needs. Packaged in a recycled PE bag and made in the UK, it offers a practical alternative to single-use plastics.

We personalise custom / personalised MIYO Renew 700 ml lunch boxes with logo using screen printing for objects and digital printing. Perfect for businesses, sports clubs, associations, events, schools and private customers.
