DESCRIPTION

The Sticky-Mate® recycled heart-shaped post-its are practical, eco-friendly note pads made from recycled paper (50 sheets, 80 g/m2). Their heart shape adds a playful, eye-catching touch while remaining easy to peel and reposition — perfect for reminders, messages or event handouts. No special care required; keep dry. This recycled post-it is a simple and sustainable way to share short messages.

Order a custom / personalised Sticky-Mate® recycled heart-shaped post-its with logo using print techniques such as screen printing, pad printing and digital printing, which allow full-surface printing on each sheet. Well suited to businesses, clubs, associations, events and individuals. Free quotes and a graphic studio are available to refine or vectorise your logo.
