DESCRIPTION

This helmet-shaped keyring is made from recycled HIPS plastic with a metal ring, ideal for construction companies and security teams. Its compact shape fits easily on a keychain or in a pocket; the recycled material may show slight colour variations and small marks, reflecting its sustainable origin. Easy to care for, clean with mild soapy water.

We offer a custom / personalised helmet-shaped keyring with logo using tampography, perfect for displaying your logo on a practical, everyday item. Suitable for businesses, sports clubs, associations, events and individuals; free quotes within 24 hours on weekdays and a graphics studio available to vectorise your logo.
