DESCRIPTION

The 200 ml Americano® Switch Renew cup is perfect for cold drinks, ice cream and even fries. With a 200 ml capacity and made from PP plastic containing 25% sugarcane-derived bioplastic, it offers a lightweight, practical option. The cup is microwave- and dishwasher-safe and is BPA-free. Within the Americano® Switch family you can add a lid and handle if required. Manufactured in the United Kingdom and packed in a recycled PE bag.

We offer a custom / personalised cup with logo primarily through object screen printing. Ideal for companies, sports clubs, associations, schools, events and private customers. Use our graphic studio to prepare or vectorise your artwork and request a free quote on weekdays.
