DESCRIPTION

The Americano® Switch Renew cup, 200 ml single-wall, features an innovative 360° lid so you can sip from any side while enhancing the drink's aroma. The cup is made from PP bioplastic derived from sugarcane (25%), contains no silicone or BPA, and is dishwasher- and microwave-safe. It is supplied in a recycled PE bag and can be fitted with additional lids or a handle within the Americano® Switch range for added convenience and grip.

This custom / personalised cup with logo is ideal for companies, sports clubs, associations, events and private customers. Personalisation is done by screen printing on objects, giving a sharp, durable mark on the cup or lid. We offer a free quote and an in-house graphic studio to prepare or vectorise your logo.
