DESCRIPTION

The Americano® Switch Renew 300 ml cup is a versatile option for cold drinks, as well as ice cream and snacks. Made from PP containing 25% sugarcane-derived bioplastic, it lowers the need for virgin plastic. The cup is BPA-free and suitable for microwave and dishwasher use, and can be paired with an optional lid or handle. Packaged in recycled PE and manufactured in the UK, it provides a more responsible everyday alternative.

We offer a custom / personalised cup with logo using object screen printing (sérigraphie objet), ideal for businesses, sports clubs, associations, schools, youth movements, events and private customers. Our graphic studio can refine or vectorise your logo; free quotes available. Collection in Evere or delivery in Belgium, France and Luxembourg.
