DESCRIPTION

Large rectangular tablecloth in PET, measuring 280 x 210 cm, designed to fully cover presentation tables at trade shows, conferences, banquets or marketing events. Its floor-length cut provides a clean, uniform drape that suits professional settings. The PET fabric gives a reliable hang with minimal ironing and straightforward care when laundered according to technical textile guidelines. Available in several colourways, for example Black and White, it adapts easily to exhibition stands and reception tables.

The Bridge model shows neat side drapes and discreet seams for a polished look. Its 280x210 cm dimensions fit large rectangular tables, and the finished edges sit flush with the tabletop to simplify the display of materials placed on it. Care is simple: wash following PET/recycled fabric instructions and dry carefully to maintain the fall.
