DESCRIPTION

Americano Renew 350 ml insulated cup: double-wall design with a screw lid and a 350 ml capacity. Made of 75% PP plastic and 25% sugarcane-based bioplastic, it is 100% recyclable, BPA-free and compliant with EN12875-1. Suitable for dishwasher and microwave use and supplied in a recycled PE bag. A practical choice that incorporates a renewable material without compromising performance.

The Americano Renew can be personalised with logo using screen printing on objects or digital printing — perfect for companies, sports clubs, associations, events and individuals. Contact us for a free quote; our studio graphique can retouch or vectorise your logo if needed.
