DESCRIPTION

The Americano® Renew insulated cup, 350 ml with a screw-on anti-spill lid, is designed for safe, everyday use. Its double-walled insulation provides comfort and helps maintain beverage temperature while reducing spills. Made from 75% PP and 25% sugarcane-derived bioplastic, it is BPA-free, EN12875-1 compliant, dishwasher and microwave safe, and shipped in recycled PE packaging. Lightweight and practical, this cup is a more responsible choice and fully recyclable.

This custom / personalised cup with logo can be marked using screen printing on objects (sérigraphie objet) and digital printing (impression numérique). Ideal for companies, sports clubs, associations, schools, events and private customers who want a reusable, branded item. Our design studio can retouch or vectorise your logo; free quotes within 24 hours on weekdays and standard production available.
