DESCRIPTION

The H2O Active® Eco Base 650ml bottle with screw cap is designed for everyday use, pairing an ergonomic shape with recycled materials. Made from PCR plastic sourced through the Prevented Ocean Plastic initiative, it is processed to be safe for food contact and features a secure screw cap. Capacity is 650 ml, with mix-and-match colour options available. Supplied in a recycled PE bag. Due to the nature of the recycled material, small natural marks may appear on the bottle, reflecting its eco-conscious origin.

This custom / personalised bottle with logo can be branded using digital printing or object screen printing. Perfect for businesses, sports clubs, associations, schools, events and private customers looking for a practical, responsible promotional item. We can prepare your logo and provide a free quote.
