DESCRIPTION

The HydroFlex™ Clear 500 ml bottle is a single-walled, compressible sports bottle made from flexible MDPE plastic, well suited to active use. It features a screw cap with a flip top, holds 500 ml, and is manufactured in the United Kingdom. BPA-free and compliant with EN12875-1, the bottle is dishwasher-safe for easy care. Its flexible material and practical design make it comfortable to handle during training sessions and outdoor activities.

Order a custom / personalised HydroFlex™ Clear 500 ml bottle with logo printed by object screen printing to add a logo, name or graphic. Personalisation is available for companies, sports clubs, associations, schools, youth movements, events and private customers. You can collect from our workshop or have it delivered; our studio can retouch or vectorise your logo if required.
