DESCRIPTION

The H2O Active® Eco Vibe 850 ml water bottle with screw cap is a clean-lined, lightweight bottle designed for everyday use. Made from PCR and PP plastic sourced from Prevented Ocean Plastic, it has an ample 850 ml capacity and a secure screw lid. Each bottle is packed in a recycled PE bag. Due to the recycled material, small marks may appear on the bottle's surface, reflecting its sustainable origin. Easy to care for, it's suitable for daily hydration, outdoor activities and promotional giveaways.

This custom / personalised bottle with logo is suitable for object screen printing or digital printing to display your logo or message. Ideal for businesses, sports clubs, associations, schools, events and private individuals seeking an eco-friendly promotional item.
