DESCRIPTION

This frosted glass bottle features a slim cylindrical shape (Ø6x22 cm) and holds 500 ml, with a narrow neck for easy pouring and handling. The screw bamboo lid provides a reliable leak-proof seal; the natural bamboo may show slight variations in grain and finish. Practical and durable, the bottle suits everyday use at events, in the office or on the move.

The frosted finish offers a matte, fingerprint-friendly surface and a tidy finish around the neck and base. Its compact dimensions fit into bags and standard cup holders, making it convenient for distribution and daily carry.

This personalised bottle can be decorated by screen printing, laser engraving, pad printing, digital printing or doming depending on the desired effect. Recommended for businesses, sports clubs, associations, events and corporate gifts. Minimum order: 15 pieces (colours and sizes combined); smaller quantities may be possible with additional fees.
