DESCRIPTION

The Brite-Mat® rectangular mouse pad is a rigid desk accessory designed to provide excellent control for both ball and standard optical mice. Its laminated paper surface over recycled paper offers smooth tracking and a pleasant feel, while remaining easy to clean. The classic rectangular cut fits naturally on any desk and suits everyday use in home or office environments.

We offer a custom / personalised mouse pad with logo using techniques such as pad printing, screen printing, digital printing on items and screen print transfers. Ideal for businesses, sports clubs, associations, schools, events or individuals seeking sustainable promotional products made with recycled materials.
