DESCRIPTION

The A5 Tour keyring is a transparent accessory designed to hold a paper insert or ID photo. Made of GPPS plastic with a split metal ring, it accepts an insert sized 4.5 cm x 3.5 cm for printing. Practical and easy to use, the insert remains clearly visible and the surface can be wiped clean. Suitable for everyday use to identify keys, badges or small personal items, it offers a simple way to display information securely inside the holder.

Order a custom / personalised keyring with logo using digital printing on the paper insert or printable area. We produce personalised keyrings for companies, sports clubs, associations, schools, events and individuals. No minimum order and our studio can prepare or vectorise your artwork.
