DESCRIPTION

The F1 Stein reopenable keyring is a transparent, compact accessory made of GPPS plastic with a visible paper insert for customisation. Its rectangular shape and flat-profile metal split ring make storage and mailing easy. The insert can be reopened with a coin, convenient for changing the content or updating ID. Easy to care for—wipe with a soft cloth to keep it clear. Insert print area: 5.0 cm x 2.0 cm.

This custom / personalised F1 Stein reopenable keyring with logo is suitable for digital printing to apply a logo, artwork or text. Ideal for companies, sports clubs, associations, events or individuals looking for a practical, distributable and customisable promotional item.
