DESCRIPTION

The G1 Luken re-openable keyring is a transparent, rectangular holder designed to keep an insert or card visible (5.0 cm x 3.0 cm). It re-opens with a coin to allow quick replacement of the insert. The flat-profile metal split ring is practical for mailing and everyday attachment to keys. Material: GPPS plastic with a paper insert; care is straightforward by wiping with a soft cloth. Suitable for daily use, promotional giveaways and events.

This custom / personalised G1 Luken re-openable keyring with logo is suitable for digital printing on the printable insert (5.0 x 3.0 cm). YourVisualHere offers personalization for companies, sports clubs, associations, schools, youth movements and individuals, with no minimum order, an in-house design studio for logo vectorisation and a free quote within 24 hours on weekdays. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
