DESCRIPTION

The heart-shaped keyring is a transparent GPPS plastic accessory, lightweight and easy to carry on a keyring or in a bag. The printable insert measures 5.8 x 5.0 cm, ideal for inserting a photo or customised artwork. It is simple to clean with a damp cloth and keeps its clarity with everyday use. Its neat, compact silhouette brings a tasteful, personal touch without bulk, making it suitable for giveaways, gifts or personal use.

For customisation we offer a range of techniques: digital printing on objects, pad printing (tampography), screen printing, DTF, flex, screenprint transfers, embroidery and embroidered badges where applicable. Perfect for companies, sports clubs, associations, schools, youth movements, events and private customers seeking a custom / personalised heart-shaped keyring with logo. Free quotes and a graphic studio are available to prepare your artwork.
