DESCRIPTION

This 500 ml double-wall bottle, model Florence, is made from recycled stainless steel and designed for everyday use. Its slim profile and smooth finish make it easy to carry in a bag, while the screw cap with a metal carry handle visible in the photo gives a secure grip and helps prevent leaks. Care: hand rinse and air dry to preserve the exterior and insulation.

The double-wall construction helps maintain temperature and the reasonably wide neck simplifies filling and cleaning. The bottle comes in several colours (for example Silver Matte, Black, Blue) and measures Ø7 x 21.5 cm, making it practical for on-the-go use, events and workplace hydration.

Personalise this bottle for businesses, clubs, associations or corporate gifts: we offer digital printing, laser engraving, screen printing on objects and pad printing.
