DESCRIPTION

The Herald A5 greeting card (148 x 210 mm) is made from FSC-certified board at 320 g/m², providing a high-quality feel and stable finish for your messages. It can be printed both outside and inside and comes with a standard white envelope. Suitable for professional mailings or personal use, the design can be enhanced with hot foil and embossing to add tactile relief and elegance. The card is ready to use with no special care required.

Order a custom / personalised greeting card with logo using digital printing and embossing. These options suit companies, sports clubs, associations, schools, youth movements, events and private customers seeking a refined, bespoke result.
