Made with 47% Prevented Ocean Plastic recycled PP, it is BPA-free, fully recyclable and fitted with a secure screw lid. The full-wrap coloured pattern is moulded into the cup for a long-lasting finish. Tested to EN12875-1, the cup is dishwasher and microwave safe and suitable for both hot and cold drinks, making it a convenient reusable option for home, office or travel.

We offer digital printing to create a custom / personalised cup with logo, ideal for companies, sports clubs, associations, events and private customers.
