The Sticky-Mate memo stickers 100x100mm are self-adhesive paper sheets made from 80 g/m 8 paper designed for quick notes and reminders. Available in several colours and in packs of 25, 50 or 100 sheets, they stick well to folders, binders and smooth surfaces while remaining easy to handle. Simple to use and maintain, the sheets usually remove without leaving residue, making them suitable for daily use at the office, home or school.

For custom / personalised memo stickers with logo, we offer full-colour marking options including screen printing, digital printing, pad printing and multicolour screen-print transfers to achieve the desired look. These personalised memo stickers are perfect for companies, clubs, associations, schools and private customers who need practical branded items for events, campaigns or internal use.
