DESCRIPTION

The Sticky-Mate® memo stickers 150x100mm are self-adhesive paper sheets at 80 g/m², available in several colours and packs of 25, 50 or 100 sheets. Practical for jotting reminders, organising documents or flagging pages, these stickers adhere to most flat surfaces and remove cleanly without residue. The paper weight provides good pen and pencil performance and a crisp finish for everyday use in the office, at school or at home.

For custom/ personalised Sticky-Mate® 150x100mm memo stickers with logo, full-colour printing is available. Suitable marking techniques include screen printing, pad printing and digital printing on objects. Ideal for businesses, sports clubs, associations, events and private customers — great for promotional campaigns, merchandising or team giveaways.
