DESCRIPTION

The Post-its Sticky-Mate® with soft cover are practical self-adhesive paper notes made from 80 g/m² paper, ideal for jotting messages, organising ideas or flagging documents. The soft cover protects the sheets and provides extra space for branding, while the blank sheets remain easy to write on and reposition. Available in three versions by sheet count—25, 50 or 100—these pads suit occasional or heavy use and store neatly in a bag or on a desk without damage.

Customisation is available via digital printing on each sheet and the soft cover, so you can order custom / personalised Post-its Sticky-Mate® with logo for companies, sports clubs, associations, events or private individuals. An excellent choice for promotional campaigns, corporate gifts or organisational stationery where full-colour printing showcases your logo and message.
