DESCRIPTION

The Post-its Sticky-Mate® with soft paper cover A7 (100 x 75 mm) are handy pads for jotting down quick notes or reminders. The soft paper cover protects the sheets and provides extra advertising space, while the self-adhesive sheets in 80 g/m2 paper stay firmly in place on smooth surfaces. Lightweight and compact, they slip easily into a bag or folder for daily use at the office, meetings or at home. Care is straightforward: keep dry to preserve the adhesive and the paper finish.

We offer digital printing on the cover for customisation. These custom / personalised Post-its Sticky-Mate® with logo are suitable for businesses, sports clubs, associations, schools, events and individuals who want a practical, visible promotional item.
