## DESCRIPTION

This bamboo bottle carrier Cabas is designed to transport and display 6 bottles (not included). Made from FSC-certified bamboo, it provides a lightweight yet sturdy frame with slatted sides and a cut-out handle for comfortable carrying. Bamboo is a natural material and shows subtle variations in colour and grain, giving each piece a unique look. Compact dimensions: 25.5 x 13 x 20.5 cm.

The model pictured includes a metal bottle opener mounted on the side and a slatted construction that secures bottles while keeping the overall weight low. Clean joints and secure fixings make it suitable for regular use in sheltered environments. Care is straightforward: wipe with a damp cloth and allow to dry, taking into account the natural properties of the material.
