## DESCRIPTION

This pencil case combines RPET felt with a bamboo lid for everyday office or school use. Its elongated shape (18 x 5 x 4.8 cm) comfortably stores pens, pencils and small accessories; the bamboo lid features a built-in ruler and an integrated phone stand, while an elastic strap keeps the case closed. The felt gives a subdued matte look and good structure; wipe clean with a damp cloth.

The bamboo lid is both practical and decorative, the ruler allows quick measurements and the interior remains open for easy access to writing tools. Compact dimensions make the case suitable for work bags and school satchels.

This item is ideal as a personalised pencil case and can be marked by laser engraving, screen printing on items or pad printing. Recommended for companies, schools, associations, sports clubs and event giveaways. Minimum order: 25 pieces (colours and sizes combined).
