Country of origin	China
Carton	20 pieces

DESCRIPTION

Double-walled vacuum-insulated stainless steel bottle, designed to keep drinks hot or cold. Unisex 420 ml model (Ø6 x 22.5 cm) with a watertight cup lid of 150 ml. The stainless steel construction is durable and easy to care for by handwashing, while the slender shape fits comfortably in bags and backpacks.

The bottle features a smooth finish and a lid that doubles as a cup, with an integrated carry loop for easy handling. Sealing elements provide leak-resistance; to maintain insulation and finish avoid dishwasher use if advised against by the manufacturer.

This personalised bottle can be marked by digital printing, laser engraving, screen printing on objects or pad printing depending on the desired result. Suited to companies, sports clubs, associations, events and private customers; minimum order 10 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Free quote and in-house graphic studio to retouch or vectorise your logo.
