DESCRIPTION

The Idolunch two-tier lunch box is made from PP and holds two 800 ml compartments, offering a compact rectangular solution (21 x 11.5 x 11 cm) for carrying a full meal. The PP construction keeps it lightweight yet durable for daily use; simple rinsing after meals is recommended for maintenance.

The design includes an integrated carry handle and secure lateral clips that lock the two tiers together; a removable separator allows organisation of different foods. The lid is designed to be airtight to reduce leaks. Available in several colours, for example Black, Petrol and Navy Blue.

Customisation is available by digital printing, doming, pad printing or laser engraving — suitable for companies, sports clubs, associations, events and corporate gifts. Minimum order: 10 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our graphic studio can vectorise your logo. Search tag: personalised lunchware.
