DESCRIPTION

The Desk-Mate® A2 desk pad is a white A2-sized pad made from blank 80 g/m² paper sheets mounted on a 461 g/m² board. Available in 25 or 50 sheets, it provides a large writable surface for notes and sketches while protecting your desk. The removable sheets make everyday use flexible, and the simple paper-and-board construction requires minimal care; keep dry. Ideal for meetings, offices and workspaces, this custom / personalised desk pad with logo combines practicality with clear branding potential.

Personalisation is possible on every sheet: we offer tampography, screen printing, digital printing on objects, screen print transfers, DTF printing and flex according to the desired finish. Suitable for companies, sports clubs, associations, events and private customers seeking a precise, professional-marked promotional item.
