DESCRIPTION

Plush rabbit measuring 14 x 10 x 12 cm, suitable for children and promotional use. The Bunny features long, soft fur, floppy ears and a seated posture that keeps it stable. It wears a sewn hooded pullover that feels soft and is practical for regular handling.

Careful finishing appears in the discreet seams and embroidered eyes, avoiding loose parts. The model retains its shape through play and is well suited to giveaways, events and branded merchandise. The product is available in 1 colour (White).

Customisable for companies, clubs, schools and events, this is a personalised plush toy that can be decorated using transfer (multicolour), DTF printing, flex and sublimation. Minimum order: 75 pieces (colours and sizes combined). Our design studio can retouch or vectorise your artwork prior to production.
