DESCRIPTION

Unisex phone accessory made from PET, the Celeste wrist strap measures 15 x 2.5 cm with a 2.5 cm wide webbing designed for comfortable wrist carry and secure handling. It features a safety buckle and a swivelling metal clasp for reliable attachment to a phone or small pouch, plus a small tag attached to the clasp suitable for branding. The item is supplied in 1 colour (for example black).

The welded finish and metal clasp provide solid everyday durability; the strap can be wiped clean with a damp cloth. The wider webbing helps distribute pressure across the wrist for more comfortable prolonged wear.

The Celeste is intended for branding by companies, clubs, associations, events and individuals: screen printing, multicolour transfer, DTF printing, flex and tampography are available depending on the desired print area. Note: minimum order quantity 500 pieces (colours and sizes combined). Our design studio can vectorise or retouch your logo. personalised phone accessory
