Country of origin	China
Carton	40 pieces

DESCRIPTION

The foldable Standfan is a compact portable fan designed for outdoor events and mobile use. Constructed from ABS and measuring 16 x 8 x 1.5 cm, it folds flat for easy transport and converts into a desk fan when opened. It features three speed settings, a supplied adjustable lanyard for hands-free carrying and a built-in 3000 mAh rechargeable battery that doubles as a powerbank, with a USB-C input and USB-A and USB-C outputs.

The fan shows a protective grille and a stable base when deployed; its lightweight build suits frequent handling. The adjustable lanyard keeps the unit secure during activities and USB-C charging simplifies daily upkeep.

The Standfan can be customised by pad printing, digital printing or doming and is suitable for companies, clubs, associations and promotional events. This promotional item cannot be ordered singly: minimum order 20 pieces (colours and sizes combined), as indicated on the product sheet. Free quote within 24 hours on weekdays; our design studio can refine or vectorise your logo.
