DESCRIPTION

Insulated RPET backpack, 45x19x31 cm, designed for everyday use and transporting meals. Rectangular cut with padded back and shoulder straps for comfort, plus a top carry handle. Internal layout includes a padded compartment for a 15-inch laptop. The RPET fabric has a subtly textured look and is easy to care for; the insulated lining helps keep food and drinks at the right temperature.

The front features a zippered pocket for small items and a mesh side pocket for a bottle. Two main zippered compartments and reinforced stitching at stress points ensure the bag keeps its shape. Compact yet well organised for separating meal storage from documents.
