DESCRIPTION

The Wire-o A5 notebook with hard cover includes 80 blank sheets (80 g/m² paper) and a white or black wire binding. The rigid cover protects the Wire-o binding and pages, making it suitable for notes, sketches or appointment keeping. The paper/nylon composition provides practical durability for everyday use and easy transport. Care is straightforward: keep the notebook dry and avoid ink smudges to preserve the look of the cover and sheets.

This custom / personalised Wire-o A5 notebook with logo can be printed in full colour on the cover and on each sheet, both front and back. We offer multiple in-house marking techniques (screen printing, digital printing, pad printing, screen-print transfers, DTF) for companies, sports clubs, associations, schools, events and private customers. Free quote on weekdays and an art studio is available to prepare or vectorise your artwork.
