Available with 50 or 80 sheets of 80 g/m² paper, it is designed for everyday note-taking, meetings and training sessions. The sturdy card cover protects the pages and provides a firm surface for writing at a desk or on the go; store it away from moisture to keep paper and cover in good condition. Personalisation is possible on both covers and inner sheets using techniques such as screen printing (sérigraphie), digital printing, DTF printing and screen-print transfers (single colour and multicolour).
