DESCRIPTION

Octagonal crystal award on a rectangular glass base, model Rumbo. Designed as a desk accessory, this glass trophy features a smooth, polished surface ideal for laser engraving, digital printing or doming. Its dimensions (14.6 x 15.5 x 4.3 cm) give it a refined presence on a desk or shelf while the clear material ensures inscriptions and graphics remain highly legible.

The faceted edges and polished finish enhance contrast for engraved text; the item is supplied in a gift box ready for presentation. Care is straightforward: wipe with a soft, non-abrasive cloth to maintain the shine. The model is available in a single transparent colour.

As a personalised desk accessory, it can be customised using laser engraving, DTF printing (digital printing) or doming, depending on the desired effect. Suitable for companies, clubs, associations, events and private customers. Minimum order: 3 pieces (colours and sizes combined). We provide a free quote within 24 hours on weekdays and offer a graphic studio to prepare or vectorise your logo; pick-up in our Evere workshop or delivery in Belgium, France and Luxembourg.
