## DESCRIPTION

Compact beech-wood torch (2.4 x 8.8 cm) designed for portable use. Its cylindrical shape fits comfortably in the hand and the wooden body gives a natural, tactile feel while remaining sturdy for everyday carry. The 5W LED offers three brightness levels and the included 500 mAh rechargeable battery provides convenient repeated use. A wrist strap allows easy carrying for events, outdoor activities or quick-access tasks.

Simple, practical finishing: an integrated front lens and visible wood grain. Care is limited to wiping with a dry or slightly damp cloth; do not immerse. Its small size makes it easy to store in a pocket or bag without bulk.
