DESCRIPTION

The Tracta retractable cutter in aluminium is a compact, lightweight tool well suited to workshops, construction sites and event use. Constructed from aluminium for a solid feel, it comes with a segmented carbon-steel blade and a total of 13 blades included. Measuring 13.3 x 2.8 cm, it slips easily into a pocket or tool pouch.

The design features a sliding black locking wheel to set the blade length and textured grooves along the body for improved grip. The single-colour finish and sturdy construction make it a practical, long-lasting hand tool.

The cutter can be personalised by laser engraving or tampography, both appropriate for precise, durable marks on metal. Ideal for businesses, associations, clubs and event organisers looking for a useful promotional item. Minimum order: 125 pieces. personalised tools and torches
